

National Disaster Relief And Recovery Arrangements Flinders Highway West

Location

Charters Towers

Client

Charters Towers Regional
Council

Contract Value

\$585,003.12

Commencement Date

August, 2013

Completion Date

November, 2013

Burdekin Haulage was engaged under the National Disaster Relief And Recovery Arrangements for Charters Towers Regional Council, to repair roads to the state they were prior to the State declared flood event declared in February 2012.

Project Scope

The project involved surface formation grading, gravel re-sheeting of rural roads, bitumen repairs to intersections and rock protection. There were sixteen roads included in this works package of 175 .6 kilometers.

Outcomes

Works were completed in accordance with all environmental management and safety plans.

Burdekin Haulage met the budget set at contract award.

The project required successful management of day-to-day traffic issues on rural roads where maintaining access was crucial for heavy vehicles, including triple road trains and cattle carriers. Community engagement proved valuable on this project, where Burdekin Haulage liaised with multiple landowners and public road users, to ensure a positive outcome for all stakeholders.
